

“A WELL MADE INDIE THRILLER WITH A GREAT CAST!... There’s a little creepiness, some decent suspense and a twist ending that is sure to please most that are willing to give the film a chance.” VideoViews.org

“Director Steven Peros makes the most of his low budget, talented cast, and well written script to produce A ROMANTIC THRILLING FILM!... Peros’ direction is solid with an attention to detail and storytelling.”

HorrorNews.net

“A TAUT THRILLER!... Peros allows the elements of the story to properly simmer trusting in his audience demonstrating enough patience to allow the mood to build until it culminates with a reasonably satisfying ending... A SOLID PIECE OF ENTERTAINMENT!”

“A SOLID EFFORT FROM STEVEN PEROS!... A suitably underplayed ghost story well told.”

Sci-Fi-Online

“THE FILM MUST BE PRAISED for its subtle uses of fear: there’s no blood and gore here, but uncanny occurrences such as the reflection in a shard of glass of a man who isn’t there - that actually turn out to be TERRIFYING IN THEIR REALISM.”

BlogCritics.org

“AN INSPIRED HAUNTED WESTERN... A decidedly different take on the ghost/possession film that takes a female perspective without going all chicky-flicky. WE LIKED IT!”
